Hon. Daniel M. Fox,

Dear Sir,

Just one month ago a party of young ladies from the Langhorne Friends' Inst. were so fortunate in visiting the Mint in Phila. to find you attending to Mr Squires in receiving his money. You gave them permission to visit the gold vaults and filing rooms. Another party of younger girls from the same school wish to visit the Mint on the 4th of next month and feel they want to see all that their sisters have seen. Will it be possible for you to grant them the same privilege? By doing so you will confer a great favor on

Yours truly
Cassandra H. Rice
